A black, rectangular electronic device labeled "BATTERY GUARD 12V" and "Kemo electronic". It features three status LEDs at the top: "EMPTY", "LOW", and "FULL". A central label reads "Kemo electronic", and a bottom label reads "M188". A 12V battery symbol is printed on the front, and a small antenna is visible on the right side. Two wires, one black and one red, are connected to the bottom of the device.

Wymiary: ok. 40 x 40 x 13 mm (bez uchwytów do mocowania)
